Out of Belgium via Lille

When in Lille, stay on the **A1** in the direction of Paris; the signs for “Lille-Lesquin Aéroport” can help you choose the correct direction.

Once you’ve passed Lille Airport on your left, take **exit n° 19 “Seclin”**.

Keep in the left lane; there are traffic lights at the end of the exit.

Turn left on the D549 in the direction of Pont à Marcq and Avelin.

This means:

- On the first roundabout, keep driving straight on
- On the second roundabout, take the **second exit** in the direction of Avelin, keeping the “Total” service station to your right.

Drive straight on until you reach the church. Turn **left** and keep driving straight on. You are already in the “rue de Lille” now.

The entrance for n° 68 is on your right, just opposite the “glass pyramid”.

Drive onto the site. There are several buildings and Reynders Etiquettes France is the one at the back on your left.

Have a nice trip.
